

Candle with Care!

Candles are very much a part of our holiday traditions. They create a festive mood and a warm and inviting atmosphere. Left unattended or put in the wrong place however, they can quickly become a potentially dangerous hazard. This year, if candles are part of your holiday, make sure you enjoy them with safety in mind.

Safety Tips

- Λ Never leave burning candles unattended.
- Λ Extinguish all candles before going to sleep or leaving the room.
- Λ Do not permit children to keep or use candles or incense in their rooms.
- Λ Candles should only be used when a sober adult is present and awake.
- Λ Never use lighted candles on or near a decorated tree or other evergreens.
- Λ Keep candles at least one metre away from anything that can burn, including curtains, other decorations and wrapping paper.
- Λ Always use stable, nonflammable candle holders.
- Λ Place candles where they will not be knocked down or blown over.
- Λ Place candles out of the reach of pets and young children.
- Λ Always keep burning candles up high, out of reach of children.
- Λ If you have children in your home, store candles, matches and lighters out of their sight and reach.
